## How can you help?

The initial gift by Richard and Rachael Wolff was given to establish an endowment fund. It is their hope and dream that the Fund will grow and provide more money for grants to seminary students. They believe that the church should assist persons who are seeking to serve in church locations. Congregations and individuals are encouraged to make a gift to the ***Richard A. and Rachael S. Wolff Fund for Theological Education.***

This Fund, along with scholarship programs offered through the Ohio Conference and the Associations, will enable more persons to consider ministry. You can help by contributing to the ***Richard A. and Rachael S. Wolff Fund for Theological Education.*** Ministry goes forward because we are working together.

**The Wolffs' conviction** that ministry must go forward into the next century prompted them to establish the Fund. They wish to provide financial assistance to persons who will be attending UCC seminaries and entering ministry in our denomination. They hope that a number of students will be assisted each year.

The Rev. Richard Wolff was ordained into the Christian ministry on October 20, 1938. After serving the church for 55 years, he officially retired in 1977. During his "retirement" he gave interim ministry service to 16 churches in northern Ohio. Rev. Wolff was motivated by an unwavering commitment to justice for all persons, and he maintained an active role in advocacy for world peace.

Rachael S. Wolff was a professional church educator. She, along with her husband, graduated from Boston University.
